Yes, and I can do it for you. Let me know.

O'Hara tried to reach me yesterday to talk about something - [(b)(6) privacy] so i told him I'd call him today. Was it this?

[Diesel in Water Near Fracking Confirm EPA Tests Wyoming Disputes](#)
Businessweek

After registering those complaints with EPA Administrator Lisa Jackson, the agency agreed to this retest of the wells, and to call in the USGS to conduct parallel tests. The wells in Pavillion are different than those in most areas of Pennsylvania ...
